PREMIER CANDLE CORP.,	) Cancellati	) Cancellation No. 92040906	
Petitioner,	) <u>ANSWEI</u>	R TO PETITION TO CANCEL	
v.	. )		
STARLUME, INC.,	)	09-30-2002	
Respondent.	)	U.S. Patent & TMOfc/TM Mail Rcpt Dt. #39	

Respondent Starlume, Inc. ("Starlume"), owner of Registration No. 2,086,606 (the "Registration") for the mark AMERICA'S PREMIER CANDLE COMPANY, hereby answers the Petition to Cancel of Premier Candle Corp. ("Petitioner"), as follows:

- 1. Answering the unnumbered paragraphs preceding paragraph 1 of the Petition to Cancel, Starlume denies that Starlight Candles, Ltd. is the record titleholder of Registration No. 2,086,606. Starlume admits that Petitioner has filed a petition to cancel this registration. Except as expressly admitted or denied herein, Starlume lacks sufficient knowledge or information to form a belief as to the truth of the allegations in the unnumbered paragraphs preceding paragraph 1, and on that basis denies each of them.
- 2. Answering paragraph 1 of the Petition to Cancel, Starlume states that the allegations therein are vague and ambiguous, in that it is not clear whether Petitioner' reference to the "words" that comprise the mark that is the subject of this cancellation proceeding is a reference to the words as used individually or as used together as part of Starlume's multi-word mark. Accordingly, Starlume lacks sufficient knowledge or information to form a belief as to the truth of the allegations in paragraph 1, and on that basis denies each of them.

4

<sup>&</sup>lt;sup>1</sup> The named respondent in this cancellation proceeding, Starlight Candles, Ltd., no longer has any ownership interest in the subject registration.

- 3. Answering paragraph 2 of the Petition to Cancel, Starlume denies that Petitioner has any valid or legal right to use the mark that is the subject of this cancellation proceeding in the manufacture and sale of goods of the same nature as Starlume's. Starlume lacks sufficient knowledge or information to form a belief as to the truth of the remaining allegations in paragraph 2, and on that basis denies each of them.
- 4. Answering paragraph 3 of the Petition to Cancel, Starlume lacks sufficient knowledge or information to form a belief as to the truth of the allegations in paragraph 3, and on that basis denies each of them.
- 5. Answering paragraph 4 of the Petition to Cancel, Starlume denies that it is not entitled to contine registration of the mark that is the subject of this cancellation proceeding; denies that it is not entitled to exclusive use of its mark in commerce on the goods specified; and further denies that its mark does not function to identify its goods and distinguish them from those offered by others. Starlume notes that Petitioner's use of the term "terms" in paragraph 4 is vague and ambiguous, and to the extent Petitioner intends to assert any additional allegations as part of paragraph 4, Starlume lacks sufficient knowledge or information to form a belief as to the truth of those remaining allegations, and on that basis denies each of them.
- 6. Answering paragraph 5 of the Petition to Cancel, Starlume denies the allegations contained therein.

# FIRST AFFIRMATIVE DEFENSE (Failure to State a Claim)

The Petition to Cancel should be dismissed on the ground that Petitioner has failed to state a claim upon which relief can be granted.

## SECOND AFFIRMATIVE DEFENSE (Secondary Meaning)

Through substantial and widespread use, advertising and promotion in support thereof and media coverage, the contested mark has acquired a strong secondary meaning.

### THIRD AFFIRMATIVE DEFENSE (Lack of Standing)

Petitioner lacks standing to petition to cancel the Registration, in that Petitioner has not shown how it would be likely to be damaged by the continuing registration of the mark at issue in this proceeding.

### FOURTH AFFIRMATIVE DEFENSE (Unclean Hands)

Petitioner's claims, and each of them, are barred by the doctrine of unclean hands.

## FIFTH AFFIRMATIVE DEFENSE (Estoppel)

On information and belief, Petitioner's claims, and each of them, are barred by the doctrine of equitable estoppel by virtue of Petitioner's prior statements made to the Trademark Trial and Appeal Board in connection with its own applications for trademark registrations.

WHEREFORE, Starlume, Inc. prays that:

- 1. Cancellation No. 92040906 be dismissed with prejudice; and
- 2. For such other relief as the Board deemes proper.

Respectfully submitted,

STEINHART & FALCONER LLP
